

Demand Side Grid Support (DSGS) Incentive Option 1 Participation Form

Instructions

Applicants who wish to participate under DSGS Incentive Option 1 through ClimateResponse® VPP must complete and submit the participation form, along with all necessary attachments, to ClimateResponse® VPP at <https://climateresponse.com/upload>.

1. Contact Information

Name of the Organization:

Contact Name:

Contact Email:

2. Load Reduction Resources

Please download a copy of the Load Reduction Resources Spreadsheet linked in the FAQs and fill out all the applicable fields. You will need to provide the following information about each load-reduction resource to be used during an emergency event, including:

- Type(s) of available resource(s)
- Applicable dispatch loading order category
- Address and customer identification number where resource is deployed
- Expected minimum and maximum load-reduction capacity in kilowatts for each resource
- Whether the resource may require a 202(c) emergency order pursuant to the Federal Power Act to participate in the DSGS program

Certification

Refer to the DSGS Program Guidelines, Third Edition on the DSGS Program website

<https://www.energy.ca.gov/programs-and-topics/programs/demand-side-grid-support-program>.

I am authorized to complete and sign this form on behalf of _____ .

I meet the eligibility requirements of the current version of the DSGS Program Guidelines to the best of my knowledge.

I will allow the CEC access to all documentation to verify compliance with the program.

I agree to the terms and conditions contained in the current version of the DSGS Program Guidelines on behalf of the Participant.

I certify that the foregoing is accurate and complete.
